Corporate bonds contribute a fourth of the outstanding funding to the corporate sector

■ Represents total outstanding stock in Rs lakh crore

Source: RBI; SEBI; Ministry of Finance

Wholesale credit on its way to recovery

Source: RBI, CRISIL Research

Underpinned by improving credit ratios

Semi-annual trends in the credit ratio* and the debt-weighted credit ratio^

Source: CRISIL

*Credit ratio is the ratio of upgrades to downgrades recorded during a period.

^Debt-weighted credit ratio is the ratio of total debt on the balance sheets of firms upgraded versus firms downgraded, excludes financial sector players.

However, stress in the banking industry remains

GNPA to reach 10.5% by Mar 18

Rs. Lakh crore

Recent announcements augur well for the bond and credit markets

- Move from 'AA' to 'A' grade ratings for investments by insurance companies, pension and provident funds will improve access to capital market for larger number of companies
- Push for one-fourth of large corporates financing needs from the bond market will provide opportunities and deepen bond market
- Reform measures with respect to stamp duty regime on financial securities transactions across the country will improve operational convenience to issuers
- Government focus on infrastructure, especially in the road sector bodes well for structured credit opportunities
- RBI recent revised guidelines for resolution of stressed assets puts in place a transparent and structured process

Ratings: 2017 Highlights

Financial update

- Growth in revenues driven by debt offerings by large corporate segment offset by muted performance in bank loan ratings and SME segments
- Segment profitability reflects improved efficiencies

Enhance core offerings

- Large number of client additions
- Initiated independent credit evaluation for stressed assets
- First to assign a rating on a hybrid annuity project in India

Launch new products and analytics

- New credit rating scale for infra projects and assigned India's first rating on new infra scale
- smefirst.com – an online portal for addressing all SME needs
