EXPLAINING EFFECT OF THE SCHEME ON EACH CLASS OF SHAREHOLDERS, KEY
MANAGERIAL PERSONNEL, PROMOTERS, NON-PROMOTER SHAREHOLDERS**

Background

Vide Notifications dated May 30, 2018 and September 19, 2018, SEBI notified the SEBI (Credit Rating Agencies)(Amendment) Regulations, 2018 ("CRA Regulations 2018") to amend the SEBI (Credit Rating Agencies) Regulations, 1999. SEBI prescribed that a credit rating agency shall not carry out any activity other than ratings of securities offered by way of public or rights issue, rating of financial instruments under the respective guidelines of the financial sector regulators/ authorities as specified in Annexure A of the CRA Regulations 2018 and research activities, incidental to rating, such as research for economy, industries and companies. If any credit rating agency is providing any other service other than the aforesaid, such activity shall be segregated to a separate entity within a period of two years from the date of the said CRA Regulations 2018 i.e. by May 30, 2020.

The principal activities of CRISIL Limited comprise the following major business segments;

- Ratings - Providing ratings of financial instruments under the respective guidelines of the financial regulators and authorities, including ratings of securities; bank loans and other related services such as issuer ratings, expected loss ratings, loss given default assessments, credit assessments and covers any new permitted instruments, grading and assessments including those of small and medium enterprises, real estate projects and support for financial data and analysis services to S&P Global Ratings; and
- Research provides data, research and analytics across asset classes in India and globally, including deep coverage on macroeconomy, companies and sectors in India.

In order to comply with the above regulatory changes and to give effect to regulatory intent, the Board of Directors in its board meeting held on April 17, 2019 has approved the segregation of Ratings business undertaking comprising the business of rating of financial instruments under the respective guidelines of the financial regulators and authorities, including ratings of debentures, bonds, commercial papers, issuer ratings, bank loan facilities, fixed deposits, certificate of deposits, preference shares, pass through certificates issued in

securitization transactions and other financial instruments, credit quality rating of mutual funds, capital protection oriented fund rating, financial strength rating (insurance companies), Independent Credit Evaluation of resolution plans for stressed assets, recovery risk ratings for security receipts (SRs), credit assessments in the nature of scenario based ratings, expected loss, loss estimates for securitized pools, loss given default and other products and rating services, including any new permitted instruments, (“Ratings Business Undertaking”) from CRISIL Limited (‘CRISIL’ or ‘the Transferor Company’) to CRISIL Ratings Limited (a company to be incorporated under this name or such other name as may be approved by the Registrar of Companies) which will be a wholly owned subsidiary of CRISIL Limited (‘the Transferee Company’).

The segregation would be done by transfer of the Ratings business undertaking into a wholly owned subsidiary (to be incorporated) of CRISIL as a going concern on a slump sale basis (‘Slump Sale’), through a Scheme of Arrangement (‘the Scheme’) under Sections 230 to 232 of the Companies Act, 2013 and other applicable provisions, if any, of the Companies Act, 2013 (including any statutory modification or re-enactment or amendment thereof) and enabling clauses of the Memorandum of Association of the Company.

The same is subject to the requisite approvals and sanction of the National Company Law Tribunal or such other competent authority as may be applicable and the approval of shareholders and / or creditors of the Company, Central Government, or such other competent authority as may be directed by the NCLT. The Appointed Date for the Slump Sale is January 01, 2020.

In terms of Section 232(2)(c) of the Companies Act, 2013, a report adopted by the directors explaining effect of the arrangement under the Scheme on each class of shareholders, key managerial personnel, promoters and non-promoter shareholders laying out any special valuation difficulties, if any, is required to be circulated to the shareholders along with the notice convening the meeting.

While deliberating on the Scheme, the Board had, inter-alia, considered and took on record the following documents:

- Draft Scheme as recommended by Audit Committee of Directors of the Company (‘Audit Committee’);

CRISIL Limited

Corporate Identity Number: L67120MH1987PLC042363

- Certificate from the statutory auditors of the Company confirming that the Scheme is in compliance with applicable accounting treatment notified under the Companies Act, 2013 and other generally accepted principles ('Auditors' Certificate'); and
- Report of the Audit Committee dated April 16, 2019 recommending the Scheme taking into consideration, inter-alia, Auditor's Certificate.

Effect of the Scheme of Arrangement on equity shareholders (promoters and non-promoter shareholders) of the Company.

- The Scheme is between the Company and its Wholly Owned Subsidiary (to be incorporated) for which the consideration will be discharged in cash. No shares of any of the companies shall be issued and allotted pursuant to the Scheme. Thus, there will be no change in the shareholding pattern of Transferor Company. Hence, the Scheme does not provide for any share exchange ratio and there exist no special valuation difficulties. The consideration for such transfer shall be a lump sum consideration equal to the difference between the book value of assets and book value of liabilities (i.e. "Net Asset Value") of Ratings business undertaking as on the Appointed Date.
- The Transferee Company will discharge the consideration for the acquisition of Ratings business undertaking through normal banking channels.
- None of the Directors, Key Managerial Personnel and relatives of the directors of the Company have any material interest in the proposed Scheme.
- Thus, there will be no adverse effect of the Scheme on the shareholders of the Company, Key Managerial Personnel, promoter and non-promoter shareholders of the Company.

Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, the SEBI Circular, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
