The Architect

Architect Ramesh Chandra Swain is distinctively identified with Built Environment, a concept that entwines nature's luxury with atypical designs attracting the hearts and minds of the beholders instantly. The heritage city of Bhubaneswar is now enriched by the innovative architectures making it a perfect blend of ancient and modern metropolis. His signature is colourfully evident at a wide range of structures such as public buildings, private mansions, hotels, healthcare facilities, commercial complexes and residential colonies of the city and elsewhere.

Akash Sobha Bhawan, BMC Bhawani Saheed Nagar Enclave, Fortune Towers, Housing Complex for SBI Staff Association in Bhubaneswar and Marina Beach Resort in Puri are a few magnificent monuments that stand to his excellent credit. He is also a Design Consultant to several Government Departments.

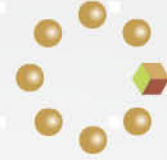

Ably assisted and strategically supported by a group of young and talented Architects, he is dedicated in generating new creations one after the other much to the content of the clients and the society as a whole, under his banner 'Creative Architects'.
